#### MID-STREAM ESCAPE

There comes that time in mid-Winter when escape seems very necessary. In thought, at least, we make the plunge. Our plunge would be Bermuda in full June bloom ablaze with red poinsettia trees with shrubs flowering along every road, white roofs dotting the jigsaw like landscape reflecting the warm sun; and everywhere in the background a sea roofed by the lighter blue of the sky.

The sea sometimes pounds the rock of the coast as in this tailend hurricane on our cover. The rock is eventually torn to fall in gigantic chunks for underneath it's white as chalk and about as substantial. The Bermudians saw it like wood to make building material including shingles which harden when exposed to air as the rock cliffs have a weather hardened crust.

The broken chunks grind to powder and ring the island in a sand of soft pastels plus whites so bright they assault the eye.

If there is a place to haunt the imagination in February it would surely be this small island enfolded in the warm Gulf Stream flow. There are various ways to daydream away the dirty snow and humid cold. This is one of the better ways. There are many fine seasons for our Buzzards Bay. This is not one of them.

## Selectmen's Meeting

### AMBULANCE IDEA

Selectmen, receiving a very favorable endorsement from Executive Secretary Ray Pickles of Marion concerning Marion's Volunteer Ambulance Unit, will pursue the idea for possible implementation in Mattapoisett. Executive Secretary Stephen Lombard reported that Mr. Pickles said that the performance of the Marion group is excellent and that it is an economical way to furnish this service. To discuss this possibility further, Selectmen have set a public meeting in the Town Hall Conference Room for 7:00 p.m. Monday, February 23. The meeting is open to the public, the police, fire and rescue squad.

### REVENUE SHARING LOSS

Selectmen were notified that Mattapoisett's allocation for the period of October 1, 1980 to September 30, 1981 will be \$106,639.00. Last year the amount was \$110,463.00. The loss is 3.5% or \$3,824.00.

### DOG HEARING

Selectmen held a hearing on a complaint

brought by William Dumas about barking of his neighbors' dogs owned by Jean Hunt and LeRoy Jones. After hearing the statements of the people involved and other neighbors, Chairman R. William Blasdale adjourned the meeting. He said the Selectmen would much prefer the matter be solved through agreement between the neighbors than official action by the Board. The Selectmen suggested that a method might be found to discourage the dogs from barking.

### MOORING LETTER

Selectmen received a copy of a letter written to Senator Paul Tsongas from Colonel William E. Hodgeson of the Corps of Army Engineers. The Colonel stated that the Corps had received extensive objections from Mattapoisett residents opposing the application of the Mansfield mooring facility in Mattapoisett Harbor. He stated that if opposition in the town could be resolved then no public hearing would be required. The Selectmen will write to Colonel Hodgeson to ask at what point the town can make an impact on that decision and to request

## Gifts to Land Trust

MATTAPOISETT LAND TRUST  
RECEIVES TWO PARCELS OF LAND

The Mattapoisett Land Trust has recently received two parcels of land. Old Colony Bank (formerly Southeastern Bank and Trust) has given a gift of 7.2 acres adjacent to a parcel (6.2 acres) of land which they gave to us the previous year. The total of 13.4 acres is located off North Street; it is wooded and includes 1,000 feet of Crystal Spring Brook.

Mr. and Mrs. Ralph Eustis donated 3/4 of an acre near the Pine Island Pond. This is another prime area to be conserved.

The recent membership drive by the Trust indicates that there are approximately 200

year round and summer residents who are interested in the conservation of important areas of Mattapoisett.

Lottery is to provide a supplemental source of public funds to be devoted to the support

of the arts and humanities in the Commonwealth of Massachusetts.

By virtue of establishing a local Arts Council, Mattapoisett is eligible to receive funds. The funds are intended to support activities which benefit the general public of the town of Mattapoisett. Local councils are encouraged to develop a policy of affirmative action to ensure full and equal access for all residents of the town to activities funded by the Arts Lottery.

The guidelines state further that decisions as to the distribution and use of Arts Lottery funds in Mattapoisett should be made by the local Arts Council. All decisions must be consistent with the State guidelines.

The State Council has provided a uniform application for the funding of arts projects. Interested parties may obtain applications at the Selectmen's Office in Mattapoisett Town Hall or by contacting Mrs. Lois Murray, 9 Channing Road. Mrs. Murray's telephone number is 758-4949. Completed applications may be returned to the Selectmen's Office or Mrs. Murray and must be received by the local Arts Council on or before March 31, 1981.

### CATHOLIC WOMAN'S CLUB

The Catholic Woman's Club of Marion will hold their February meeting at St. Rita's Church on February 16th at 7:30 p.m. The speaker will be Edward Tripp, a native of Marion, who will give an illustrated lecture on "The History of Marion". A cordial welcome is extended to all the women and men of the parish.

## Mattapoissett Woman's Club

This month our meeting will be February 26th, the 4th Thursday, because of school vacation. We are delighted to have Luice Moncevitich, a Mattapoissett resident, as well as artist, teacher, and tarot card reader, as our speaker. She is a first generation Russian-Lithuanian, and has a long history

of social service to the community. Her discussion will be based on personal discoveries while working on her doctorate degree in Art Education. Ms. Moncevitich's interest in the art work of children is largely based on a book of art and poetry called "...I Never Saw Another Butterfly", by the children of Terezin, one of the Nazi concentration camps. We will be learning more about these children, their art, and its effects on their lives. With this

## BREAKFAST IS BEST

Ask a first grader at Rochester Memorial School what the most important meal of the day is and you'll find that "Breakfast" is best. First graders in Mrs. Meere's and Mrs. Hartley's classes are studying about good nutrition and eating balanced meals. Cooking and serving breakfast to their classmates and teachers was an enjoyable way to culminate this "Nutrition" unit.

Sean Slegowski prepares pancake batter and anxiously awaits those bubbles to pop on the griddle to give those pancakes their final flip.

"Waitress" Jessica Rogers serves a satisfied "customer", Jenny Taylor.

Sausages were browned and served by Timmy DeTerra and Jason Wainio.

"Chef" Joshua Hedges and "cooks" Sherry-Lynn Andrade and Kathleen Newsham really know when to turn those sausages and everyone agreed the results were delicious.

Prospective students and their parents are invited to the Open House. At 8:00 p.m. a separate meeting will be held in the cafetorium to explain the application process and to answer questions about Old Colony.

Since Old Colony constitutes a substantial pool of skilled workers, area employers are also encouraged to pay a visit and get a first-hand look at our vocational training programs.

Everyone at Old Colony looks forward to an informative and enjoyable evening.

MANHATTAN '81

Plans for Bishop Stang High School's third annual extravaganza, MANHATTAN '81, are progressing rapidly. This year's event is being chaired by Mr. and Mrs. Francis O'Neill of Mattapoisett and Mr. and Mrs. Gil Costa of New Bedford.

By popular demand, the committee has expanded this fun-raising fund-raiser to two successive weekends, March 13th and 14th, and March 20th and 21st, 7 p.m. to 1 a.m. Proceeds benefit the school.

For those still uninitiated in MANHATTAN '81 you will find 11 separate rooms of fantastic frivolity. This year's highlights include a U.S.O. show, Irish Pub, Country and Western show, London Music Hall, Nightclub Revue, Barbershop Quartet room, Portuguese and Lebanese eth-

"For some people, it is the early years just out of school. Others see it as their 30s and 40s when they are raising a family and pursuing a career. Still others see it as the time after they have raised their family and retired from their job when they are free to travel and 'enjoy' life.

"Whatever your definition of the prime time of life, heart disease and stroke are in the picture right there with you. Because heart disease and stroke kills people of all ages.

"In fact, nearly one million deaths in the United States each year are a result of heart disease, stroke, and related diseases, and more than 200,000 occur before age 65."

Reducing this early death and disability is the mission of the American Heart Association. The voluntary health agency is fighting this "Prime Time Killer" with research, professional and public education and community service programs.

Rev. Torres came to the United States in 1975 after spending 14 months as a political prisoner in Chile. A Methodist minister, Rev. Torres was engaged in political, social and economic action with the oppressed people of Chile. This work brought him into conflict with the military junta as he criticized its violation of human rights, its closing of newspapers and radio stations, and its arbitrary imprisonment of Chileans. Mr. Torres was subsequently arrested, tortured, and imprisoned. Following his release in 1975 he came to the United States. He is currently the pastor of the Trinity United Methodist Church of New Bedford and the Center United Methodist Church of Fairhaven.

The audience is invited to bring bottles for Prof. Lemos to evaluate and help date.

Guests are welcome to attend this program along with the members of the Historical Society. There is a small admission charge for non-members. Refreshments will be served following Professor Lemos' talk.

it look like when I'm finished?", is on display now through the middle of February at the main office of Fairhaven Savings Bank, 215 Washington Street, Fairhaven.

Among the unique examples is an artfully framed piece of "Black Work" showing both sides of the intricate embroidery, a style made popular by the ladies of Queen Elizabeth's court in the 17th century. The embroidered designs were inserted in the elegant sleeves of their gowns and could be reversed for a "change". Mrs. William Rogers of Fairhaven worked the design and her husband constructed the frame.

"Water Street, Mattapoisett" is easily recognizable and was designed by Eleanor Johansen as a Law School graduation present for her daughter who practices in Washington, D.C. Mrs. Johansen is president of the local Sea Spray Chapter.

Mrs. Marjorie Reeves, vice president of the Sea Spray Chapter, earned her Master Craftsmen's designation by completing a series of difficult assignments including two on display: a stylized Japanese lady and a complementary design portraying one of the months in the Japanese Calendar that depicts a crane - both are framed in gold-leafed bamboo.
